Discussion Board

See **Canvas** for a link to the discussion board.

Rules of Participation

- Your identifier **MUST BE YOUR NAME** if you want to receive extra credit for your participation (see below).
- Be ***respectful and inclusive***.
- Do NOT be afraid to ***ask questions***.
- You may post code snippets that help to illustrate or answer a question, but *do NOT post complete answers to the homework*.

You will receive **EXTRA CREDIT for participating** in the course discussion board. Each post that we deem appropriate (I realize this is subjective) will be worth `1 pt` of extra credit up to a max of 2 pts per week. For example, *asking or answering a question* are both worth 1 pt each. You can also receive 1 pt for posting a *link to a relevant resource*, but you need to describe the relevance in your post.
